

## 2025 MEN'S MIDWEEK INTERCLUB COMPETITION RULES

### Played Mid-Week (Tuesdays where possible)

---

#### 1. Format

The format is to be matchplay with the application of handicaps. Play is in fours, with two players from each team in each four. The matches are to be played over 9 holes.

Each team will consist of 4 players who will play in handicap index order. After the entering of teams on the website, and subsequent publication of the team sheets, **team playing order will not change** even if handicap indexes alter between this publication and match day, except under the normal process of substitution.

Host clubs should load the match sheets as an event on DotGolf, prior to match day, and print off cards on the morning of match day. The maximum handicap index is 54.0.

**All scorecards MUST be completed in line with the Rules of Golf and be submitted for handicapping.**

A coin toss will decide the honour on the first tee.

#### 2. Player Eligibility

Players must hold a full playing membership at the club they wish to represent. Players holding a full playing membership, 9-hole or other, may play either 9-hole midweek interclub, or 18-hole midweek interclub within a season, but not both. Additionally, they may play weekend interclub.

#### 3. Competition

- The competition will consist of rounds of fourball best ball matchplay, with the application of handicaps.
- The low marker in each playing group will give shots to the other 3 players

#### 4. Substitution of Players

Any player may be substituted after the posting of the team and prior to the commencement of the match provided:

- a) The opposing team and Golf Wellington are informed.
- b) The substitute plays in the position relating to their handicap index, moving other players so the team remains in handicap index order.
